

**Declaration on open access
to the quarterly collection of scientific works
“Scientific Bulletin of the National Academy of Statistics,
Accounting and Audit”
(following the Budapest initiative “Open Access”
from February 14, 2002, Budapest, Hungary)**

Dear readers!

We present you the quarterly collection of scientific works “Scientific Bulletin of the National Academy of Statistics, Accounting and Audit”. Its editorial board supports open access to publications, implying free and open access to our quarterly collection. “Scientific Bulletin of the National Academy of Statistics, Accounting and Audit” can be read on-line, loaded in PDF format, disseminated, referred to and printed without asking preliminary permission from the publisher or the author.

Editor-in-Chief

of the quarterly collection of scientific works
“Scientific Bulletin of the National Academy of
Statistics,
Accounting and Audit”,
Dsc. (Public Administration),
corresponding member
of the National Academy of Sciences of Ukraine

Olexandr Osaulenko
